NOTE FOR ALL APPLICANTS:

Those members who wish to apply for sponsorship to **International conferences**, will have to **submit a 1500 word typewritten paper** (excluding references) on one current Ophthalmic topic which has been agreed upon by the committee and applicant. A subcommittee of AONA will review all papers received. The papers from the successful applicants will be published in the AONA newsletter. As there are only a limited number of sponsorships available, all applicants will need to submit their ophthalmic paper 3 months prior to the conference for assessment. When applying for **National or State Conferences / Study Grant, the word count is 500**. Contact the Treasurer of AONA, Joanna McCulloch (work) 9845 2274 if there are any queries.

NOTE FOR ALL APPLICANTS: I hereby submit my application for an Educational Grant from the Australian Ophthalmic Nurses Association and agree to attend a selection interview, if required, at the designated date. I also undertake to submit to the Association a **typewritten report** for possible publication in the AONA Newsletter, **within three months of the completion of the grant**.
